

**Bright Horizons Therapeutic Riding Center**  
**“Pasture Pool” Golf Tournament**  
**Crestview Golf Club, Waldport**  
**September 9, 2018 12:00pm**

Dear Community Supporter;

Bright Horizons Therapeutic Riding Center is a non-profit organization serving Lincoln/ Linn/Benton and Tillamook Counties. Our program is designed for persons with special needs of all ages. We strive to improve the physical and emotional well being of individuals and their families through Equine Assisted Activities and Therapies.

We are proud that we keep our administrative costs to a minimum, but we also realize that costs associated with a special needs child or adult can be exhausting; we search for scholarships to help these families. Grants, volunteers, donations, sponsors and fundraisers keep us operating, and able to provide service to your community.

The Bright Horizons “Pasture Pool” Golf Tournament will be held September 9<sup>th</sup> 2018 at Crestview Golf Club in Waldport. The event will be a 4 person scramble and is designed for fun, food, and fundraising. We are in need of “Hole Sponsors” (\$100), and prizes for our winners (both young and old). Your contribution is completely tax deductible, and most of all valued by a number of very special people.

If you would like to also contribute by joining us that would be wonderful too!! The cost of a 4 person team is \$160 which includes the golf, food, and fun! (Carts are additional)

Your consideration of our request is appreciated, and if you should have any questions, or want further information about our program, please feel free to contact us.

Respectfully,

Amy Cline  
Executive Director  
Bright Horizons Therapeutic Riding Center
